注意：解答はすべて解答欄に書きなさい。

問2 次の英文を読み、後の各問いに答えなさい。

Miki's teacher gave her class some homework. The teacher asked them to make a presentation about the ①_____. Miki decided to research paper *straws as her topic. She prepared for her presentation.

(日本製紙株式会社 HP の Web サイトより)

Hello, everyone. Today I want to talk about paper straws. Do you often go to *Starbucks? I went there last week and tried the *Peach Frappuccino. When they gave it to me, I realized that the straw was made of paper. I thought it was good for all of us to use paper straws, not plastic ones, because we can reduce the *amount of plastic waste. However, some people don't like paper straws. Look at the *graph. I was surprised to find this. I found several opinions about paper straws on the Internet. One of them was that it is difficult to drink with paper straws. So, I started to think, ②“What else can we do for the environment?” I will do some research again for the next class. If you have any ideas, please tell me. Thank you for listening.

*straw(s) ストロー *Starbucks スターバックス (コーヒーチェーン店) *Peach Frappuccino ピーチ・フラペチーノ (冷たい桃の飲み物) *amount of ~の量 *graph グラフ

1. 下線部①に入る単語として最も適切なものを次の選択肢ア～エから1つ選び、記号で答えなさい。

ア drink イ paper straws ウ environmental problem エ water problem
